

Town Crier

Urbansburg - Wilmington

Wilmington, Mass.

21ST YEAR - NO. 13

658-2346

MARCH 25, 1976

TWENTY CENTS

Seven hours and 55 minutes Board of Health has \$130,000 for town dump operation.

For seven hours and fifty five minutes the Town Meeting discussed one subject - the Town Dump. The discussion was on two Saturdays, and probably set a new record for one subject discussion in town meeting. The ultimate solution was proposed by Selectman Miceli, an amendment of \$130,000 to the line item in the budget Town Dump. The money is administered by the Board of Health.

There were vast differences of opinion in the Board of Selectmen prior to the town meeting. On one occasion a couple of weeks ago the term 'liar' was exchanged. Now the selectmen are working together, determined to solve the dump problem as quickly as possible.

Their thinking is in the direction of a Transfer Station. Selectman Miceli had proposed such a station at the Site One area in South Wilmington, for \$135,000 but it had been shot down. It is possible there may be bids for the operation of a transfer station for the \$130,000 voted. At least two firms seem to be interested.

The decision will be by the Board of Health, but both selectmen and town manager will have a part in the decision process.

If a transfer station is the solution it may well be on a site other than Site One. After five or more years there will be a regional disposal station in Haverhill. A transfer station near Route 93 is in the selectmen's thinking.

A suitable site would have at least two acres, be town owned, and have both electricity and water. Several sites of town owned land cannot be considered for reasons of distance, or for being in care of the Conservation Commission.

There seems to be only three sites, other than Site One. There is town owned land, adjacent to the Reading town line, and near Route 93. There is the former Town Dump, off Salem Street. There is town owned land off Ainsworth Road.

If the Board of Health works with the same good will that the selectmen now have the problem may be solved very quickly.

LWV dinner-dance Friday, April 9

The League of Women Voters of Wilmington is planning a fund raising dinner-dance to be held on Friday, April 9 at the Garden of Eden Country Club on Chestnut st. A full course roast beef dinner will be provided, with music by the Soft Tones combo.

The cost is \$10.00 per person and tickets may be obtained by calling Betty Spahl at 658-9207 after 7 p.m. or Ruth Ottatti at 658-6381.

The LWV provides various public services in Wilmington such as candidates night, student government in the High School and informational meetings. As a result of a study on human services, the League has prepared a telephone list of emergency, health, hospital and clinic numbers for use in the Wilmington area. Copies of this list are available at the library.

Funds raised from the dinner-dance will help to ensure a continuation of League services to the community.

Before accepting his appointment Cadet LaRivee was offered an appointment to the US Coast Guard Academy, and an AFOTC scholarship.

Bicentennial Ethnic Ball is tomorrow evening

RUDY CARRASCO: Monday night, at the Selectmen's meeting

Since he took over the chairmanship of the Bicentennial Commission Rudy Carrasco has been a busy man. All sorts of activities are being planned for this spring and summer. If the Bicentennial Ball of a few weeks ago is any criterion, the Ethnic Ball being planned for tomorrow night will be one to remember.

Rudy paid a visit to the selectmen Monday night, to invite those gentlemen to attend. It will be quite an affair, he promised them.

It will be in the K of C Hall. The doors open at 6 pm and there will be a full supper, between 7:15 and 9:30. The cost is \$6.50 per person, and while ethnic backgrounds are to be represented, no one will be

unwelcome under other than ethnic conditions. In fact, Rudy said, everyone is welcome.

Rudy reported, too, on the latest researches now going on, in Wilmington's part in the Revolution.

260 men from Wilmington served in the Army, he said. That represents about 100% of the men between the ages of 16 and 60 from Wilmington. He knows of no other town where the turnout was 100%. he has a motto, which he wants on the back of a Bicentennial Medal for Wilmington.

"Second to None, in the Fight for Freedom..."

The selectmen voted in favor, unanimously.

The Veteran's Club Houses

For a few moments in the annual town meeting there was no support for Veterans Club Houses. The Wilmington American Legion and the Wilmington VFW each get \$750 a year, to help maintain their clubhouses.

The article lost on a gentle voice vote. Rudy Carrasco jumped to his feet and asked for reconsideration, which was quickly won. Then the discussion started. It was quite candid.

Rudy told of the work that has been done at the American Legion. A young lady could see no reason why the club houses should be supported. The editor of the Town Crier told of the work of the people who visit the Veterans Hospitals, and how Wilmington should be proud of having two organizations that care for veterans who are permanently disabled.

Arthur Spear of the Finance Committee remarked that some veterans should be present, to support the article. He was answered

by Rudy, who said that the veterans did not seek to "pack" the town hall, as did another organization.

Selectman Boylen spoke, and Selectman Banda said that just after he had moved to Wilmington he was in a Veteran's Hospital, and he had visitors from the Wilmington posts, when they learned that he was in one of the wards.

Shirley Callan compared the \$1500 cost to the \$130,000 just voted, and said they were arguing about nothing.

Lorraine Brozyna told of the program that the Boutwell School Mothers wanted to rehearse. If they had gotten some school room it would have cost the ladies \$60. The American Legion allowed them to use the club house for nothing.

The second vote was decisively in favor, after which a lady remarked: "Well, I have just learned something."

New Rate Schedule from Reading Municipal Light

The Reading Municipal Light Department, from whom the electric power in Wilmington is purchased, has filed new rate schedules.

On March 1 the Boston Edison Company, from whom Reading purchases its power, modified the rate schedule under which it bills Reading. The modification was required under a recent ruling of the Federal Power Commission.

Basically, it does not increase nor decrease the power bill of Reading Municipal Light, but it does require a change in Reading's retail rate design. The Department is now in the process of making this change. Customer's total bills are not expected to change, due to the revision.

Another part of the customer's bill will increase by 12¢ per 100 kilowatthours. It is due to Edison's claim that the new FPC rules require a fuel adjustment billing on a current basis, instead of a two month lag in fuel billings, as has

been Reading's practice. The FPC, subject to refund, has allowed Edison to place this added cost on Reading's bills, allowing Edison to recover a full two months of fuel charges they claim they would never be able to collect otherwise.

It is expected that this added cost will go on for two years.

Reading Municipal Light is opposing this extra fuel cost, before the FPC. It hopes to have the cost eliminated. Meanwhile, as Reading has to pay the bill, it is being collected from the customers.

Happy 16th Birthday

John

Banquet for Campfire, Blue Birds

It was certainly the night for daddy to be proud of his little girl at the Tewksbury Campfire and Blue Bird Banquets. It was also the time for Tewksbury Campfire Girls to receive well earned recognition for selling 5,462 boxes of candy in the November-December candy sale.

Marge Moulaison, candy chairperson, presented the awards as banquet chairperson Bea Rogers looked on. Receiving special awards on the Campfire level were Nancy Donovan, the top salesgirl, and a member of the Adventure Program.

Discovery Club had two girls receiving awards, Karen

Moulaison and Gail O'Leary. Honorary's award went to Patricia Rogers.

Blue Bird honors for the highest sales went to Kelly Johanan. Also receiving special awards were Jeanne Connor, Michelle Jillett, Robin March and Sharon Redfern. Numerous group certificates were presented on both levels.

The exultant ruler of the Tewksbury-Wilmington Lodge of Elks, Merton Curtis, accepted a certificate of appreciation from Helga Boone, Campfire town chairman, for the cooperation and help the Elks have extended Tewksbury Campfire.

HONORING FLAG: (l. to r.) Patricia Rogers and Roxanne Yabut lead the Pledge of Allegiance at the Tewksbury Campfire Girls' Fathers and Daughters Banquet at Elks Hall.

Rotary Clubs and the ex Nazi

Wolfgang Wick, an Austrian industrialist who had been a Rotarian for many years, and who held nearly every top job in Rotary International was nominated this year for the job of President of Rotary International. He had an outstanding Rotary record, and Rotary International had no knowledge that he had formerly been a Nazi.

Mr. Wick joined the Nazi party in 1933, while living in Austria. In 1945, the year that the war ended in Europe, he was called into the Waffen SS, one of the elite units in Germany.

Dutch Rotarians called for an investigation. There were threats of resignation.

Simon Weisenthal of Vienna, the noted "Nazi hunter" who tracked down Adolf Eichmann, among others was asked to investigate. Mr. Weisenthal said he had no record of any crime having been committed by Mr. Wick. He also said that Mr. Wick was not compelled to join the Waffen SS.

Last Friday Rotary International announced that Mr. Wick had resigned as President

Nominee. He did so to save Rotary embarrassment and the President of Rotary International accepted the resignation with "relief."

How did the local clubs react? Reading, a week ago, passed a resolution to send to Rotary International. Woburn did so the next day.

In Wilmington, on March 17, Ray McNamara, vice president, spoke of Wick, but said he did not have enough information. The club decided to wait for a week.

In Tewksbury, the next day (a week ago) Ed Bowley, of Tewksbury Auto Parts, brought up the subject. Mr. Bowley wanted the Tewksbury club to take some action, but the Tewksbury members felt they could wait until there was more information.

Now, with Wick having resigned, neither club will have to take any action.

Boosters going down for final count

Dear Larz:

This will be candid, and to the point. Effective April 1, 1976, the Wilmington High School Boosters Club will cease to exist. Why? In a word - apathy.

For the last several years, only eight or nine individuals, in a town of 18,000 people, have been interested enough in the student athletes of Wilmington to attend a two-hour monthly meeting, and otherwise assist (on a volunteer, no pay basis) with the raising of funds for scholarships, championship jackets, and other awards.

This has proven to be a difficult task for several people, whereas, with 20 or 30 active members, the operation would create no serious problems.

Most towns in the Lawrence and Lowell area have had no difficulty maintaining a booster club membership, usually including several varsity coaches of 25 members.

This is not intended as a blanket criticism of all the townfolk. There are certainly many people who are simply unable, for whatever reasons, to attend evening meetings, and otherwise lend a hand from time to time, and certainly, part of the difficulty lies with the Boosters Club itself, for not doing a better, or at least a more effective job of educating the general public as to the club's purpose, method of operation, and objectives.

Notice regarding the monthly meetings have been entirely fruitless. The only time that the club has seen evidence of active parent interest in the boosters' organization has been on those rare occasions when there appeared to be the chance that a team (and one of their children) might not receive an expected jacket. When it is time to "give" there seems to be little time available, when it is time to "take".....

There has been a Booster Club for 20 years, but we need only to go back seven years to show what they have done. In scholarships they have given 37 for a total of \$12,800.00 - jackets and sweaters for a total of \$11,546.00, trophies and awards for a total of \$2040.00 - dances, banquets, and other activities for a total of \$3642.55. This is a grand total of \$30,028.55. This

Spring meeting

Plans are nearly completed for the spring parents meeting of the troop committee of troop 136, BSA, sponsored by American Legion Post 136, Wilmington.

This is scheduled to be a most important and special evening and parent participation is urged. Awards will be presented and summer camp plans will be discussed.

Some mothers have offered to prepare a meal for the occasion which will include American chop suey, salad, bread and butter, coffee and orange drink and dessert. The cost will be \$1.25 for adults; 1.00 for children with a \$5.00 per family maximum.

The event will take place on Tuesday evening, March 30, at Legion Hall.

Well represented

Two 1975 graduates of WHS, now attending the University of Lowell returned home recently from High Point, North Carolina where they spent several days representing their university as members of the varsity track team.

Tim Nee, son of Mr. and Mrs. John Nee of Harris St., and Rick McCully, son of Mr. and Mrs. Richard McCully of Sheridan Rd., both former Wilmington track stars did a "bang-up" job for the university and represented Wilmington very well.

money was spent on all sports boys and girls, cheerleaders.

It has come to the attention of the Boosters that another organization is starting up with one object in mind, and that is to support only the hockey team. Perhaps this is the way to make everybody happy - each sport hav-

ing its own organization.

The reason I say this is because the coach has taken an active interest in this organization, where he would not do so for the Boosters. Not him alone, but most coaches.

If I have been unable to completely disguise a feeling of frustration and bitterness, I apologize for that. It is beyond my ability to comprehend why, in a town this size, no more than seven individuals have been sufficiently motivated to become active Boosters. Those faithful, and to the many other members who have belonged as active members in years past, please accept my thanks, as well as the thanks of the several dozen students who have received financial assistance since the inception of the organization.

Those funds which remain in the Boosters current bank account will be distributed in the form of scholarships to the classes of 1976 and 77.

Thank you, Larz, for attending our meetings as often as your schedule has allowed. Sincerely,

Acting President
Frank Sferrazza

There is a refreshing change in the atmosphere of the Good Will Store that opened in Wilmington last week. It is on Main Street, just below the center.

Good Will operates for the purpose of providing work for people who would be unable to work otherwise, because of some handicap. The stores have been good, but something of the Army - Navy type. Many people stayed away.

It's Student Government time

STUDENT SELECTMEN: And other student officials, at the Selectmen's table, Monday evening.

From left: Moderator Donna Wayman;

Selectmen Julie Brooks, Elaine Baldwin and Jeanne Eseloni; chairman Mark Coursey; Town Manager Ken Liston; Assistant Town Manager Larry Burke; and Selectmen Hope Miceli and Debbie Reinhart.

One of the signs of spring in Wilmington is the emergence of some fortunate students who have been elected by their peers to positions within the Student Government of Wilmington.

Monday in Wilmington's town hall the Student Selectmen reigned. Next Tuesday there will be student Planners, in the former Mildred Rogers School. There will be other student boards, and a student fire chief and student police chief too.

There are to be trips. The Recreation student government will have a trip, and the planning board students are to go to Boston, the the MAPC offices on School Street. On April 5, or some other day (not yet certain) there is to be a Student Government banquet, sponsored by the League of Women Women Voters.

Monday's meeting of the student selectmen didn't solve any world problems, but it did illustrate some of the complexities of government. The student selectmen wanted improvements, and their seniors spent a good part of the evening explaining why some things could not be done.

Selectman Jean Eseloni wanted a stop light at Lowell and West Streets and so did other student selectmen. It took their seniors quite a bit of explanation to tell how the state DPW does not want traffic lights near major high speed highways, such as Route 93.

The students also wanted a traffic light at the southerly end of Wilmington Plaza, on Main Street, where there is a considerable traffic congestion.

Chestnut Street came in for a considerable discussion. The students thought there should be more street lights, especially at the curves. One set of curves, they learned, is to be changed - the curves near Burlington Avenue, where the old Simeon Butters house stood until recently.

There should be a traffic officer at St. Thomas Church, on Sundays, especially with the late masses, the students said.

Then there were police costs at student functions. If the police costs could be cut, the students said, maybe some of the school functions could make a little money. They pointed out that it cost the Drama Club \$32 for police protection, and that this was a charge for class dances too.

But there were other charges. Janitors get overtime too. Selectman Banda told of one function where the charges came to \$225 even before it got started.

Football games was another subject. Eight or ten policemen present, on time and a half salaries.

One of the programs of special interest is women's fitness, a three morning a week class consisting of one hour of directed exercise, and one hour of pool, track, exercise area and sauna use.

Women registered for this class have the option of a signing up for the use of the health service area during class hours, which include a whirlpool sunlamp room, steam room, and additional sauna. A babysitting service is provided at a small fee for children from infancy up.

Another program of great popularity in this area is the pre-school swimming program. Classes are held for four weeks, twice a week, at a variety of times.

Children must be between three and five years old, and are instructed in classes of 15 students with two teachers. Two classes are scheduled in the pool during each time slot. A lifeguard is also on duty during the lessons.

Pre-school gymnastics is available on a limited basis. This program runs once a week for nine weeks, either on Tuesday mornings or afternoons.

Children are guided in motor development, eye-muscle coordination, and understanding and following instructions. Activities include Kindergym, balance beam, rings, rope, mini-trampoline, tumbling, exercises and children's rhythms.

For boys and girls aged six to 14 years, the YMCA offers a variety of programs including swimming lessons, gymnastic lessons, gym classes, arts and crafts, gameroom privileges, swim team, and floor hockey.

All classes run in nine week sessions and will be registering at the YMCA from March 29 to April 3. Brochures are available at the main desk.

Harding set swim record

Ed Harding's Eastern Mass. YMCA record in the 50 yard back stroke paced the champion Wakefield team at the recent district championship meet.

Wearing the Kelly green and gold of the Wakefield YMCA, Ed turned in the top time in the backstroke preliminaries.

Then, in the finals, with the record in sight, he pulled out all the stops and captured the coveted gold medal with a new Eastern Mass YMCA swim record for the event.

Ed also captured the silver medal in the 100 yard individual medley (the test of all-around swimming ability requiring the entrant to perform all four of the competitive strokes). The second place was not a disappointment though, as he was nudged out by teammate Bill Dolan, paving the way for what was to be Wakefield's day.

Ed's final event, the 200 yard freestyle relay, ended with the Wakefield team finishing first in the event and capturing the league trophy in the nine and 10 age group. Ed finished the season undefeated in the backstroke event, and his only losses in the individual medley had been to teammate Bill.

The nine and 10 team enjoyed an undefeated season, setting four league records in the process.

A New England ranked swimmer in the backstroke, Ed got interested in swimming through his older sister Laurel, a fine all-around swimmer who competes for the Wakefield team in the tough 11 and 12 age group.

A boy of many talents, Ed also participates in the town's Youth Hockey and Little League programs.

Chris Callan, 13, stroked to his finest individual efforts in the 50 yard freestyle, and the 100 yard breaststroke events. In only his second year of competitive swimming, Chris this year moved up to the tough 13 and 14 age group. Displaying his past history of getting up for the big ones, Chris knocked a full second off his best time in the 50 yard freestyle at the championship meet, and turned in his fastest time ever in the 100 yard breaststroke.

The Wakefield team will take a brief vacation after the New England Championships, and begin workouts for the summer program late in May.

Overall woman YWCA subject

"Am I Wife, Mother or Me," "Myths I Was Told Growing Up," and "Women's Health" are a few of the topics to be covered in the new Women in the 70's seminar at the Central Middlesex YWCA, located off Lexington St. between Burlington Mall and Burlington center.

Films, pamphlets and guest speakers will lend scope to this eight week series led by Ann Marie Sigdestat, Mondays from 1 to 2:20 p.m.

Assertion Training, taught by Eve D'Angio, is a course designed to teach awareness, effective communication and how to stand up for oneself without violating the rights of others. It will meet Tuesday evenings from 7:30 to 9:30. One four week course starts April 6 and another May 4.

A workshop on budgets, bank services and recent legislation of benefit to working women, wives and single heads of families is Women, Money & Issues. Instructor Maia Sherman will invite guest experts to speak on wills and insurance needs. This six week course will be offered Tuesday mornings and Wednesday evenings.

Ulowell concludes

The University of Lowell's baseball team has returned home from spring workouts in Lakeland, Florida.

Former TMHS star John McCusker is working out with the squad and has an excellent shot at making the squad as a catcher.

Sunday, March 21 saw Lowell ripping Trinity College 17 - 11. Billerica's Timmy Newfell was the leading hitter with a double and a triple included in his four hit total.

The Literature Discussion Group will meet Wednesday mornings under the leadership of Susan Bjorner. Book choices will be made by the group and selections may include fiction, history, biography and changing life styles.

For Mothers and Daughters Grades 5-8 there will be a friendly, frank presentation of facts of maturation and human development designed to encourage questions and open discussion. The four week course will be led by Sondra Moskowitz and will meet Monday evenings starting May 3 from 7 to 8:30.

The spring term at the YWCA begins Monday, April 5, and most classes start that week. In addition to the above, there will be a complete range of other courses from Calligraphy and Folk Guitar to Tennis, Dance and Exercise. There will also be a wide variety of children's courses.

An Open House will be held Tuesday, March 30, from 10 a.m. to 12 noon and from 7 to 9 p.m., at which time there will be exhibits, demonstrations and an opportunity to speak to instructors. Call 272-3181 for additional information.

Last year nearly two and one-half million persons participated in programs offered by the Young Women's Christian Association in community and student associations and in registered groups.

In line with the job training courses offered by the Young Women's Christian Association, 119 associations report special job-related services and programs designed for economically and socially disadvantaged women.

Mink, Beavers champs

The final regular season games took place on Tuesday night at the high school gym and in the Rec league playoffs the Minks and the Beavers were victorious in junior action. The Minks upended the upset minded Fawns, 30 - 28 and the Beavers snapped a Tigers eight game win streak 42 - 35 to cop the boys loop.

In preliminary round action last week, the Tigers topped the Cougars, 59 - 42; the Beavers slammed the Bulls 46 - 25; the Bees defeated the Deers, 18 - 12; the Fawns upset the Bunnies, 31 - 25; and the Minks slipped past the Bees, 29 - 26.

On Saturday afternoon at the West Intermediate, the Beavers upset the first place Broncos, 54 - 45 behind the torrid scoring of Gary Hastings (25 points) and Rick Lunetta (10). Glen Carlson

took game high scoring honors tossing in 36 points for Coach Leverone's Broncos.

In the other semi-final contest, Coach Larry McGrath's upstart Tigers knocked off the Colts, 46 - 43. Keith MacDonald tossed in 24 and Scott Sullivan 10 for the Tigers, while Steve Scanlon poured in 32 for the Colts.

Susan Rowe hooped 14 points to pace the Minks to their girls' championship win over the Fawns.

Lisa Jemson led the Fawns with 10. Over in the boys sector it was the scoring of Gary Hastings (20 points) and the rebounding of Rick Lunetta along with Louis Martignetti's floor play which keved

Coach Sullivan's club to its triumph over the Tigers. Jeff Lyman paced the Tigers offense with 12 points, while Janie Boudreau added 11 and Scott Sullivan had 10.

Wilmington youth hockey highlights

Bantam A's
On March 11, first place Reading, demonstrating an excellent defensive style hockey, whitewashed Wilmington 4 - 0. Wilmington was held to a season low of only 13 shots on goal, while allowing Reading two scores in each the second and third periods.

On March 18 Wilmington rebounded with a solid 6 - 2 win over South Boston. Dave Ballou, with 31 seconds left in the first period, put in the rebound of a Dave LaLiberte shalshot from the right point. South Boston tied the game late in the second period and moved in front in the first minute of play in the third period by a 2 - 1 score.

From then on, it was all Wilmington. Two minutes later Rich Robinson, sent away over the blue line by Brian Bulger and Tim McCann slid the puck under the goaltender to tie it up. Two minutes later, Lee Mugford, taking a feed-out from Matt Kmon, drove home a hard slapshot from the right point. A minute later Kmon took a pass from Steve Mickle and scored on a hot shot to the far side. With four minutes left in the game, Rich Robinson

scored again on a break-away, faking the goaltender out and sliding the puck in on a backhander. The assist went to Mugford.

Wilmington's final score came when Dennis Foley dug the puck out of a crowd in back of the net and fed Mugford on the right point. Lee took another slap shot that was deflected home by Dana Kidd.

The next game will be played on Thursday, March 25 against Peabody at 6:30 p.m.

Pee Wee B I's

The Wilmington Pee Wee B I's won the District Ten championship 8 - 3 last Sunday at Stoneham. Completely dominating the Malden squad from the opening faceoff.

With only eight seconds play in the first period Mike Moran took a pass from a fast moving Frank Newark and put the Wildcats on the score board.

Less than two minutes passed and John Cushing broke up a pass in center ice, broke down the left side and slipped a pass in the slot for George Boudreau's goal.

Mike Moran made it 3 - 0 with 5:39 remaining with assists to brother Ted and John Cushing.

At the 4:22 mark Malden had a

break away with goal tender Jeff Lux making a good standup save. Unfortunately, 21 seconds later another break away resulted in Malden's first goal. Jim Conti closed the scoring in the first period on a slap shot that deflected off the goaltender, bounced over his head and trickled home.

Wilmington's fifth goal came off the stick of Darryl MacDonald as Chuck McNeil hustled in the corner and slipped the puck to Bobby Williams for a hard shot. The goal tender had trouble handling the rebound which Darryl pumped home.

Ted Moran closed the scoring in the second period on an unassisted goal resulting from breaking up a pass at the blue line, moving to the slot and beating the goaltender with a back hander.

Bob Williams opened the third period with two quick goals. The first assisted by Bill Robinson and the last by Ted Moran.

With eight seconds remaining, Bill Redler made the save of the day on a slap shot from the point, he split and made a left skate save.

Sunday afternoon the Pee Wee's showed the effect of two games in one day, bowing to a Southern New

Hampshire youth hockey team 4 - 2. Bob Magliozzi popped home the first goal at 4:22 of the second period on a pretty pass from George Boudreau.

The second Wilmington goal came on a Ted Moran slap shot. The puck was shot so hard it deflected off the goaltender and into the net.

Pee Wee A

March 17: League leading Stoneham bombed the A's 10 - 1 in a game that saw Stoneham jump to a 5 - 0 first period lead.

Wilmington's first shot on net came with four minutes to play in the second period. Total shots in game was 28 - 6, Stoneham's favor.

Stoneham's goalie saved on a second period breakaway by Keith Ford. Wilmington's lone goal came at 1:07 of the third period on a power play. Scoring was Mark Boudreau assisted by David Kidd.

March 21: In the last regular season game, the A's lost 3 - 1 to Nashua for their only loss in a 20-1-4 season.

At Tyngsboro, in the first period, Nashua jumped to a 2 - 0 lead before Frank DeVita tipped in a Gordon Smith shot. That was all

the scoring until an open net goal at 0:49 ended the game for the A's. The team received trophies after the game for their first place finish.

The next game at Wilmington, Saturday March 27, against Peabody, at 6:10 p.m.

It's Pop Warner season again

Registration date for Wilmington Pop Warner football is April 10, 10 a.m. to 2 p.m. at American Legion Hall.

Players signing up must reach their ninth birthday before December 31, 1976. If a player reaches his 14th birthday before August 1, 1976 they cannot play Pop Warner football.

Each youth must bring his birth certificate; \$5.00 for lettered tee shirt and one safety device to keep.

Participants are trying to improve teams in safety and ability to play good football. Appearance is also important. The cheerleaders are getting things together also. More about them later.

A few more adult volunteers are needed. The concession stand will be operated again this season to offer snacks and refreshments to fans.

For information call 658-2053 anytime.

Adult Hockey Knights, Beavers battle

Knights, 3-Beavers, 3

In a battle of the top teams, the Knights opened the game with two quick goals from Mike Teixeira and John Davis to take a 2 - 0 advantage.

The Beavers came storming back led by the strong offensive performance of Doug Fish (a goal and two assists) to move on top with about six minutes remaining. Brian Walsh then fired in the equalizer in the final two minutes and it ended in a stalemate.

Dave York and Ken DeMaggio had solo scores for the Beavers.

Moon Units, 4-Blues, 3

The Moon Units are at it again - this time at the expense of the Blues with the Blues leading for just about the entire game. The Units played beat the clock as Oscar Meyer and Brian Phillips combined with each other to score back to back goals 14 seconds apart in the final two minutes to top the surprised Blues.

Phillips had a pair of goals for the night while single scores went to Richard Peters of the Moon Units and Bill Groom, Tim Keefe and Jim Hudson of the Beavers.

Big W, 6-Jets, 4

In an unbelievable offensive display, Tim Walsh scored five goals (four breakaways) to backbone the Big W's win over the league leading Jets.

Jim Ray had a pair of goals for the Jets while single markers went to Jim Cushing of the Jets, Ron Kelley of the Jets and Paul Cote of Big W.

Beavers, 5-Big W, 1

The Beavers used a well balanced attack to break open a scoreless deadlock in the second period to stop the Big W and remain tied for the top spot in the standings.

Doug Fish, Dennis DeMaggio, Wes Ryan, Merrill MacInnis and Ken DeMaggio scored for the Beavers while Peter Pellerin had the lone Big W marker.

Jets, 6-Blues, 0

Joe Gedraitis scored his first of two goals at the six minute mark of the first period. This was all that goalie Wally Neal needed to completely shut the door on the Blues and earn the shutout win.

Jim Cushing, Gerry Cushing, Butch Everett and Brian Harvey had the other scores.

Knights, 11-Moon Units, 5

The Knights, with a tremendous performance by John Davis (four goals and four assists), broke the Moon Units' unbeaten string to remain within a point of the top of the league standings. Davis has not moved into the top of the individual scoring race with 93 total points.

Ed Dunlea also chipped in with a three goal hat trick.

Wilmington pony league tryouts

Wilmington Pony League baseball tryouts for boys 13 through 15 years of age will take place Saturday, March 27 and Sunday, March 28 at 1 p.m. at the North Intermediate School field.

There is a rookie schedule for 13 and 14 year old boys in which 15-year-olds cannot play. The rookies will play the entire game. They will also play traveling games.

Nashua upends Recs

The league champion Nashua Leafettes withstood an early Wilmington onslaught to defeat the Recs last Sunday night 3 - 1 in a MVGHL encounter at Tyngsboro.

Cheryl Cushing gave the Wilmington girls an early 1 - 0 lead in the opening frame only to have Nashua come back to tie the contest in the middle stanza and then push home in the final frame to provide the final margin of victory.

The Miceli/Recs return to league play next Sunday when they face-off against the Natick Senior Eagles in a six o'clock encounter at the Skate 3 Complex. The girls will close out their regular season of play on April 4 with Chelmsford providing the opposition at Tyngsboro.

Bits & Pieces

Fun for your money
 Coin banks for charity fund drives usually offer the donor just a "ker-plunk" in return for his coin. This year, the Muscular Dystrophy Fund offers some fun for the money. The banks are designed so that the coins roll down a ramp, probably falling off into the bank. But the ramp continues to the other side of the bank, and if the coin maintains balance, it goes right through.

Local firefighters have distributed the banks to various businesses, where it is reported that the game has almost become addictive.

From the fire log
 Members of Wilmington's fire department answered 30 calls for assistance between March 14 and March 20, including:

One dumpster fire; seven brush fires; 13 ambulance runs; four service calls; two false alarms; two car fires and one building fire.

On dean's list
 The dean's list at Westfield State College for the fall semester includes the name of a Wilmington student.

Cheryl Lawler of 15 Swain Rd., has attained the honor by attaining a semester grade-point average of 3.3 on a scale of 4.0.

For genealogists
 The North Middlesex Chapter of the Massachusetts Society of Genealogists will hold its monthly meeting at the Burlington Library on Saturday, March 27 at 1:30 p.m. All members as well as those interested in genealogy and tracing their ancestors are urged to be on hand.

For information call Mrs. Florence Magrane, president, 259 Grove St., Reading, 944-2800.

Andrew Stone
 The recently released dean's list for the fall semester of Bentley College in Waltham includes the name of Andrew C. Stone of 12 Sheridan Rd., Wilmington.
 To attain dean's list recognition,

a student must maintain a grade of B or higher.

Marriage encounter
 A marriage encounter information night will be held at St. Dorothy's White Parish Hall, Main St., Wilmington on Sunday March 28 at 8 p.m.

The format of the evening consists of a presentation by two couples and a question and answer period followed by coffee and pastries. There is no charge for admission.

Fire loss
 Undoubtedly there are many who remember Closson Blaisdell, who spent a good portion of his life as a resident of Lowell St., Wilmington.

Closson's son and wife, Mark and Judy Blaisdell of Cambridge, Vermont recently lost their home to fire.

According to one who should know, Mark is a member of the volunteer fire department in Cambridge.

Back from Florida
 When questioned about their recent two month vacation at Deerfield Beach, Florida, Mr. and Mrs. Parker Prindle of Middlesex Ave., Wilmington said that "Florida is beautiful, but coming back to Wilmington is even moreso."

George M
 A 1973 graduate of WHS, now attending Northern Essex received (along with other members of the cast) a standing ovation following the presentation of "George M," recently presented by the Living Presence players of Haverhill. Billy Darling of Eames St., Wilmington played the lead in the production which received the standing ovation on all of the three nights it was offered.

Educational conference due at Dewing School

A "Think Kids Night" Program, sponsored by the Merrimack Education Center, and open to all interested parents and educators in the Merrimack Valley, will be held Monday, May 3 at the Dewing School on Route 133 in Tewksbury.

Leonard Bornstein, educator, author, and lecturer from New Jersey, will be feature speaker of the evening on the topic "Children are People Too." Bornstein believes educators and parents should take a serious look at their attitudes and feelings, which strongly dictate the kind and quality of education a child gets. He has attracted large audiences at conferences across the country.

There will be a special showing of the film, "US Art - A Gift of Ourselves," produced by the Sears Foundation to trace America's history through art from 1776 to 1976.

Thirty-minute group meetings will also be held, enabling those attending to discuss ideas or obtain information. Sample topics are "Humanizing Education," "How MEC Serves Your Schools," "What Does a School Gain from IGE or Instructional Observer Programs," and "How Parents Can Help Their Children Succeed

in School."

March is National Youth Art Month

HIGH SCHOOL SENIOR KEITH ROUCHE'S: Photography received a gold key award and two Blue Ribbons in the Scholastic Art Exhibit at the Prudential Center. Here he shows he is a versatile artist as he works on a sculptural project.

March is recognized as National Youth Art Month to emphasize the importance of Art Education in the schools and to provide an awareness of what is going on in the classrooms of the individual school systems in the towns and cities across the country.

Wilmington students and teachers have distinguished themselves in the visual arts in many ways this year and are planning events and activities that illustrate their interest in the importance of aesthetic education in the community.

How our environment looks is an important consideration in art classes - whether it is a project to improve the area room with a mural like Andrea Buckley's in the High School, or to solve the

problem of designing a quiet reading area behind the Town Library, such as Paul Rothwell did. In each case the student made plans and learned the necessary steps to actually make an idea a reality.

During the month of March, in addition to exhibits of art in Wilmington schools, there has been an exhibit of art work from the kindergarten through grade 12 in the lobby of the Wilmington branch of the Middlesex Bank, from March 22 through the 30th. This is the first step for the travelling art exhibit which is available for display by contacting the Director of Art at the School Curriculum Center on Middlesex Avenue (658-6800).

PHILIP MERIAM: Librarian and high school student Paul Rothwell, with Paul's model for the quiet reading area, to be constructed behind Wilmington Memorial Library.

IT MAY LOOK LIKE LUNCH TIME: But Robert Donahue and Judy Seville of the Woburn Street School are getting these ceramic foods ready for the traveling art exhibit at the Middlesex Bank.

JOYCE ADAMS: Art students and Dan Sprigg's photography club students at the North Intermediate School had work on display in the Prudential Center, last month. Susan Piechota (right) who teaches art in the high school has her own photography on exhibit this month as a part of "Festival Bostonian" at the Boston City Hall.

MICHAEL DOWNS: North Intermediate student, received state-wide recognition recently when his painting, which was awarded a gold key, appeared in the Boston Globe to publicize the Massachusetts Regional Scholastic Art Exhibit.

NORTH INTERMEDIATE: Student Michael Boulton has already learned a great deal about wheel thrown pottery.

Planners postpone Sharon Street vote

Tewksbury planners have decided to postpone until April 12 a vote allowing a petitioner to seek a second appeals board variance hearing on a Sharon Street lot.

The board voted unanimously to set the April 12 date in hopes Town Counsel Charles J. Zaroulis will issue a key legal opinion concerning the property by then. If he doesn't, planners decided to vote then anyway.

Cosmo DiBiase seeks planning board permission to apply for another hearing for a variance to build on the 10,000 square foot parcel.

The appeals board turned down a variance for the property January 26. To apply for a second hearing within two years the planning board's permission is legally required.

Planners also voted unanimously to ask Appeals Board Chairman John Williams whether information used by DiBiase in seeking a second hearing was presented at the first.

To apply for a second hearing within two years an applicant must present information that wasn't presented at the original session.

DiBiase two weeks ago was granted permission to reapply after he presented planners a letter from the board of assessors. That indicated the land in question was taxes as a building lot.

The board a week later voted to reconsider the original vote after

abutters protested the action and Williams agreed to seek a legal opinion on the matter.

The opinion would deal with whether a 10,000 square foot lot recently bought by DiBiase should be transferred to abutters by the original owner or should or shouldn't be considered an illegal lot.

DiBiase and his attorney, John R. Hodges, protested the vote to reconsider at a March 22 session of the board.

Planner George B. Donovan said an important bearing in his decision to vote for reconsideration was a statement by Williams about the letter from the assessors.

Donovan said, "I got the impression he indicated his board considered the letter in making the decision."

DiBiase denied the assessors' letter was presented at an appeals board hearing.

He said he received the letter January 23, and didn't provide a copy to the appeals board until after that board voted to deny the variance January 26.

Donovan said should the letter have been in the hands of the appeals board before the decision was made "there is no justification of new evidence."

Doherty said he doubted the town counsel would issue an opinion on the matter before April 12. He said he also doubted if town counsel would give any other guideline than that elected officials should decide if a variance could be granted in the case.

Doherty initially called for the April 12 meeting because of the inconvenience involved for the abutters and DiBiase.

"We can't keep these people coming back here week after week," he said.
